

KUANG

Design Frank Chou

Kuang è la soluzione ideale per rappresentare la personalità e l'essenza del suo proprietario. Le diverse sensazioni provate dal volume della sua sede e le linee della sua struttura, il contrasto tra sostanza e vuoto, quasi creano una sensazione di volo.

Kuang is the ideal solution to represent the personality and essence of its owner. The different feelings experienced by the volume of its seat and the lines of its structure, the contrast between substance and emptiness, almost create a flying sensation.
